“Regional 2” Call 2013
Online Submission Guidelines

Project website:

www.eurofleets.eu

Version 28.11.2013

Introduction

The following pages offer a step-by-step guideline for the submission process. You can use them as a checklist to make sure you have all the information needed in order to fill in the form. The different screenshots displayed in this document will guide you through the whole submission process.

Proposals must be submitted exclusively in electronic form via the [online proposal submission website](#). Proposal submission involves three steps, as outlined below:

- **Step 1:** Registration on the proposal submission website and retrieval of a password for further access.
- **Step 2:** Preparation of your proposal, including all relevant information. This step consists of two main parts:
 - **Part A:** General information about the proposal, applicants (PI and scientific party) and technical information regarding the intended research cruise.
 - **Part B:** Scientific description of the project. This part needs to be uploaded at the end of the online application process.
- **Step 3:** On the finalization of the proposal submission applicants will receive an automatically generated Proposal Summary Sheet of the proposal submitted, as a confirmation of a successful submission. You are able to preview this Proposal Summary Sheet at any time whilst preparing your application following the Proposal Summary Sheet Preview link in the “Finalization” menu of the submission website. A copy of the summary sheet **must be printed out, signed and stamped** by the PI and the appropriate authorized person (e.g. head of department, research office) in the PIs institute. It must then be sent (by post) to the EUROFLEETS2 Evaluation Office. See the deadline information below.

CLOSING DATE

Proposals must be received online via the [online proposal submission website](#) by

Thursday 27th of March 2014, 16:00 HOURS (CET)

The proposal submission website will not be accessible after this date. Please allow enough time to upload your proposal to avoid the call closure rush.

One signed (PI and an appropriate authorised person (e.g. head of department, research office) and stamped copy of the Proposal Summary Sheet must be posted to the EUROFLEETS2 Evaluation Office, arriving **no later** than the **11th of April 2014** at the following address:

Dr. Verónica Willmott-Puig
EUROFLEETS2 Evaluation Office

Am Handelshafen 12
27570 BREMERHAVEN

GERMANY

Step 1 – Login page

The Login page is the default page of the online proposal submission website you will be directed to. In order to be able to use the proposal submission system you have to register following the blue “Registration” link.

The screenshot shows a web browser window with the URL https://www.pt-it.de/ptoutline/application/eurofleets2013_4. The page has a header with three blue buttons: 'imprint', 'support', and 'login'. To the right of these buttons is the 'pt(outline)*' logo with the tagline 'online submission of project proposals'. The main content area is titled 'Online registration for electronic proposals' and features the heading 'EUROFLEETS2 Ship-time application "Regional 2" Call 2013'. Below this, it says 'Please register! [Registration](#) necessary!'. There are two input fields: 'USERNAME (YOUR E-MAIL ADDRESS)' and 'PASSWORD (FORGOTTEN?)'. A 'Login' button is located below the password field. To the right of the registration form, there is a grey box containing important information: 'The deadline for electronic proposal submission is 27.03.2014 at 16:00 hours (CET)', 'The electronic system will be closed thereafter.', and 'It is mandatory to register and submit your project proposal using this tool.' Below this box, there is a section for 'Scientific support' listing the 'EUROFLEETS2 Evaluation Office' with contact details for Dr. Verónica Willmott-Puig, including phone, fax, and email addresses.

After providing your email address on the Registration page and clicking the button “Register” you will automatically receive an email containing a link to your password. Please note, that your password will only be displayed once and you should carefully remember it. Your email address becomes your username.

When you have secured the password you can click on “Activate Access”, which gives immediate access to the EUROFLEETS2 Login page above. After completion of this step you are able to login to the system at any time before the deadline, which will enable you to alter the submission (the system will save the data submitted) and to return, when convenient, to finalise the submission before the deadline.

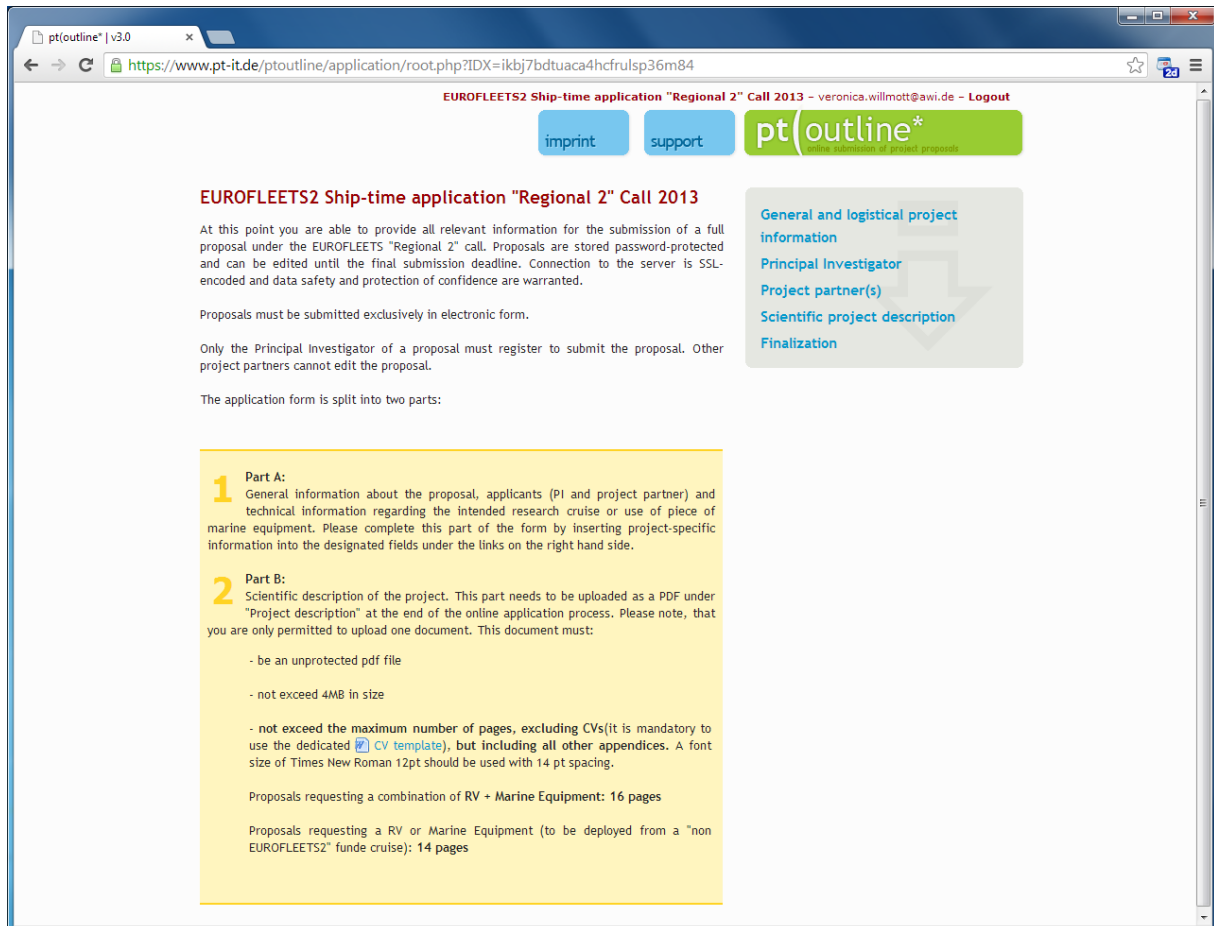

In case you forget your password you can order a new one by clicking the “(FORGOTTEN?)” button and provide your e-mail address. The new password will be send to your account. **When using the new password previously inputted data will not be lost.**

Please note, that for security reasons the system will automatically disconnect people after 120 minutes of inactivity. Therefore please save your data regularly.

Step 2 - Overview

This is the Overview page displayed once you have logged in. You are able to reach this page at any stage during the submission process through clicking on the green ptOutline field.

On the right hand side you find the links to the different menus of Part A and Part B of the proposal submission procedure, along with the finalization menu.

You can work separately in the different menus. After completion of each form you must save the content so you can open the filled-in form later. If you do not save the data, data will be lost. Data can be changed and adapted until the moment you finally submit the form.

Fields marked with a yellow star are compulsory. If you fail to enter anything in these fields, you will receive a notification when you save the data. This notification is in red at the top of the page.

Step 2 – Part A: General and logistical project information

The following information must be submitted in the General and logistical project information menu:

The screenshot displays the 'ptoutline*' web application interface. At the top, there's a navigation bar with 'imprint' and 'support' links, and a 'Logout' button. The main heading is 'EUROFLEETS2 Ship-time application "Regional 2" Call 2013 - veronica.wilmott@awi.de - Logout'. Below this, the 'General and logistical project information' section is highlighted. It includes a sidebar with a list of steps: 'General and logistical project information', 'Principal Investigator', 'Project partner(s)', 'Scientific project description', and 'Finalization'. The main form area contains several sections: 'General and logistical project information' with fields for 'TITLE OF THE PROJECT', 'PROJECT ACRONYM', and 'PROJECT OUTLINE' (with a 2,000 character limit); 'MAIN SCIENTIFIC DISCIPLINE(S)' with a dropdown menu; 'AGREEMENT' with radio buttons for 'Yes' and 'No'; 'Logistical Information' with dropdowns for 'THIS PROJECT REQUESTS:', 'EUROFLEETS2 RESEARCH VESSEL (RV)', '2ND CHOICE', 'EMBARKEE EQUIPMENT:', 'WORKING AREA', 'WHICH EXCLUSIVE ECONOMIC ZONE(S) WILL BE AFFECTED?', 'WORKING DAYS', 'NUMBER OF CRUISE PARTICIPANTS', 'WHEN SHOULD THE CRUISE TAKE PLACE?', 'PREFERRED PORT OF MOBILISATION', 'PREFERRED PORT OF DEMOBILISATION', 'SHIPS ONBOARD EQUIPMENT NEEDED', 'SHIPS MOBILE EQUIPMENT NEEDED', and 'OWN EQUIPMENT PROVIDED'; and 'Financial Information' with fields for 'TOTAL TRAVEL BUDGET:' and 'TOTAL SHIPMENT BUDGET:'. A 'Save' button is at the bottom left.

Step 2 – Part B: Scientific project description

With this step you enter PART B of the form and you will need to have the document ready for uploading. The document has to be prepared according to the specifications described in the EUROFLEETS2 Ship-time application “Regional 2” Call 2013 document. Only if the document meets these specifications will it be accepted for upload.

The screenshot shows a web browser window with the URL <https://www.pt-it.de/ptoutline/application/Skizze?IDX=rbj3r6pkmed1hhqjjcokhkkdf1>. The page title is "EUROFLEETS2 Ship-time application 'Regional 2' Call 2013 - veronica.willmott@awi.de - Logout". The main content area is titled "Uploaded Project Description" and shows a file named "Project Description" with a size of 908.0 KB. Below this, the section "Scientific project description" provides instructions on how to prepare the document, including requirements for file format (PDF), size (4MB), and page count (16 pages for RV + Marine Equipment, 14 pages for non-EUROFLEETS2 funde cruise). A sidebar on the right lists the application steps: "General and logistical project information", "Principal Investigator", "Project partner(s)", "Scientific project description", and "Finalization". At the bottom, there is a section for "UPLOAD PROJECT DESCRIPTION" with a "Choose File" button and a "Save" button.

Please allow the system sufficient time to complete the upload. You will get a confirmation screen upon a successful upload and you will see the uploaded pdf (with a changed name) of your project description appearing at the top of the page.

Important note:

You are able to upload a modified version of your scientific project description anytime until the deadline. However, no modifications are possible after you have submitted your final proposal as described in the next step.

Step 3 – Finalization

On this page you are able to finalize the submission of your proposal.

The screenshot shows a web browser window with the URL <https://www.pt-it.de/ptoutline/application/Ausgabe?IDX=nokfnsufi0objvrfp0im2h8np7>. The page title is "EUROFLEETS2 Ship-time application 'Regional 2' Call 2013 - veronica.willmott@awi.de - Logout". The page has a navigation bar with "imprint" and "support" buttons, and the "pt(outline)*" logo. The main content area is titled "Finalization" and contains the following text: "To check for necessary revisions or amendments, you can prepare a preview of the data entered at anytime until the final deadline." Below this text are two links: "Proposal Summary Sheet preview" and "Project Description" (908.0 KB). To the right of the main content is a sidebar with a large downward arrow and a list of links: "General and logistical project information", "Principal Investigator", "Project partner(s)", "Scientific project description", and "Finalization". Below the main content is a section titled "Binding Submission" with the following text: "After the following binding submission NO FURTHER CHANGES can be made." "Please submit your proposal and follow the instructions displayed to you afterwards. Deadline for submission is 27.03.2014 at 16:00 hours CET. The electronic submission system for the full proposals will be closed afterwards." "Please remember to print out and sign a copy of the data summary sheet and send it to the EUROFLEETS2 Evaluation Office prior to the 11th of April 2014." At the bottom of the page is a yellow button labeled "Submit NOW".

At any time whilst preparing your application you are able to preview a Proposal Summary Sheet supplied as a pdf-file following the Proposal Summary Sheet Preview link. In the right upper corner on each page of the Proposal Summary Sheet an automatically generated project-ID is displayed. This ID is unique, and is for example used for allocating the proposal to the reviewer and access by the reviewer. It should equally be used in any correspondence with the EUROFLEETS2 Evaluation Office.

Please note that before the submission is finalised all data in all forms can be modified. Just go to the relevant page and input your edits. If the page is saved the information Proposal Summary Sheet is changed.

Important note:

If you click on the "Submit NOW" button, your submission is completed and you will not be able to come back to your proposal (even with your password). Modifications to the proposal are not possible any more at this stage.

After having finally submitted a proposal the PI will receive an automatically generated email, as a confirmation of a successful submission. A copy of the summary sheet **must be printed out, signed and stamped** by the PI and the appropriate authorized person (e.g. head of department, research office) in the PIs institute and sent to the EUROFLEETS2 Evaluation Office.
